VSCCA shines at Government House!

Yarralumla Open Day

Our third attendance at the annual fundraiser was another cracker with ten cars placed prominently on the lawns in front of Government House and a ready audience of 6,000 filing past. We had plenty of shade, plenty of interest from the public and lots of time to chat and reflect on life with old cars and how best to save the world. The Smith Family has already invited us back next year.

Commiserations to those members who were unable to make it at the last minute but we did manage to put up a good range of cars including Peter Dechaineux's Bentley, Ian Kenny's Bugatti, Rob Baker's SS 100, John Clarke's MGA, Brian Oxley's MG J2, John Phillips's Fiat, Graham Moore's Frazer Nash, John Higham's Alvis, David Pearse's Bristol and the saluting Nicholsons' Vauxhall. Thanks to all who participated.

Time, gentlemen

Two of your local committee are standing down. Calver is focusing on a move to Melbourne which will see him less and less in Canberra, and life member Phillips reckons it's high time he had time to enjoy the life. He will, however, continue to organize monthly breakfasts pending the appointment of someone to do that job. Paul Doherty is

taking over the positions of treasurer and regalia officer, and Ian Barges will continue as VSCCA delegate to the combined council and as historic registrations officer. Any queries about club registration should be directed to Ian. Calver will continue to record attendance points for whatever events are held during the rest of the year.

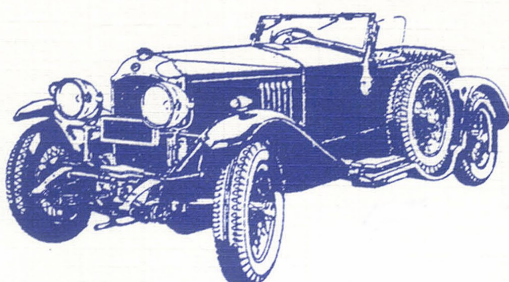

Nothing has been decided about newsletters or special runs so, if these things are your forté, now's the time to step up to the plate.

Lakeside on Thursdays

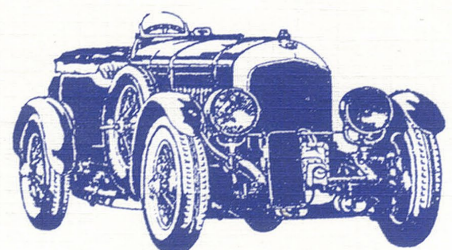

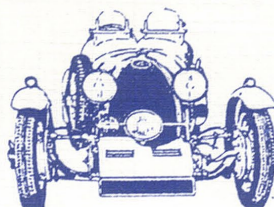

The regular Thursday run to the lake requires no organizing and is a scheduled recurrent activity of the VSCCA in the ACT. It gives those on historic registration a legal weekly opportunity to exercise the beast and stay in touch with clubmates. Bring a folding chair and cut lunch to the water's edge at Yarralumla Bay. Noon til whenever. UBD map 58, ref M10.

Money matters

The Vegemite jar is being transferred to Paul Doherty who will be the man to approach about money matters from now on. We have a balance of \$588, the result of donations and collections from ACT members to date.
