2014 - THE SEVENTIETH ANNIVERSARY OF THE VSCCA

OPENING RALLY *This Sunday*

We are returning to **Silverwater Park** which proved to be a good venue last year, with seating, barbeques, shade, grass, water views, toilets and good parking near our picnic area.

Date: Sunday 2nd February Arrive from 9.30am

Directions: Turn off Silverwater Rd on the southern side of Silverwater Bridge, into Clyde St, then follow the road around and under Silverwater Road to the park.

Bring everything you need. There are some shaded tables, but not enough for everyone.

REGULAR EVENTS

Mid-week Lunches: Pie-in-the-Sky 5th Feb. noon; Terrey Hills Tavern 19th Feb. noon

Breakfast Runs, 23rd Feb: Blowfish Café, Narrabeen – Como – Greenshades Café, Galston – Blue Mts – Southern Highlands – Diplomat Hotel, Kingston, ACT. Please contact the organisers beforehand to say that you'll be there. This is just to save problems of having too many people for the number of places available. A list of organisers and other details can be found in "The Vintage Car".

CLUB MEETING

11th Feb. at the Veteran Car Club's rooms, 134 Queens Rd, Five Dock from 8pm.

CHANGE OF DATES

1. It had now been confirmed that the **All British Day** at the Kings School will be on **Sunday, 31st August**, not 24th as shown in the Club calendar. 2. The Blue Mountains Run planned for 23rd & 24th of March has been moved forward a week, and will now be on the 15th & 16th March. (See below) The Committee apologises for any confusion these changes may have caused.

ANNUAL SUBSCRIPTIONS

Thanks to all those members who have renewed their subscriptions. If you have not paid your 2014 subs. please do so promptly. **Subs. outstanding after 1st March will mean that your membership will lapse**, meaning that you will not receive the magazine or newsletter, and cars on concessional registration will be unregistered.

NEXT MONTH

Time is getting away, so contact Todd to secure your place for this weekend.

Send your expressions of interest for the Blue Mountains Run now.

Further details to follow at the February Club meeting, in the next newsletter and in the magazine.

This should be a great weekend, so don't miss out.
