COOTAMUNDRA SPRINTS - 5TH SEPTEMBER

This is the Club's major sporting event for the year. The date this year coincides with other events in the area, so accommodation is filling up quickly. We believe that the White Ibis (6942 1850) still has some rooms available, but don't delay. The drive to Cootumundra is a very pleasant one, and our Sprints event is always great fun. We are expecting a strong representation of Morgans this year, as well as MG, Frazer Nash and our own Club's regulars. All worth seeing!

Contact Tim Shellshear on 0418 666 952 now to let him know that you'll be there, and make sure that you arrange your accommodation promptly.

Policeman: You can't drive down here, Miss. This is a one-way street.

Young Lady: Oh, that's alright, Constable. I only want to go one way.
